TIME FOR DEBATE!

Meet your classmates in a debate, discussing whether it’s better to live in Sweden or the USA!

Homework:

Find and use arguments, related to for example:

- environment
- nature
- climate
- politics
- school possibilities
- health care (insurances)
- economy
- something else?

Concentrate on 3 - 4 issues!

BE NEUTRAL WHILE DEBATING, you have to believe in your opinions!

Good luck!
